

# Wisconsin Compressed Air Corporation's *Hot Air Newsletter*

Spring 2011 Edition

## Compressed Air Incentives are Expiring June 30, 2011

***Cash incentives were extended –  
"These incentives are offered from  
January 1, 2011 through June 30,  
2011 - Compressed Air System Audits  
& Variable Speed Drives." Please  
contact our sales department to find  
out what cash incentives your  
business may be eligible for.***

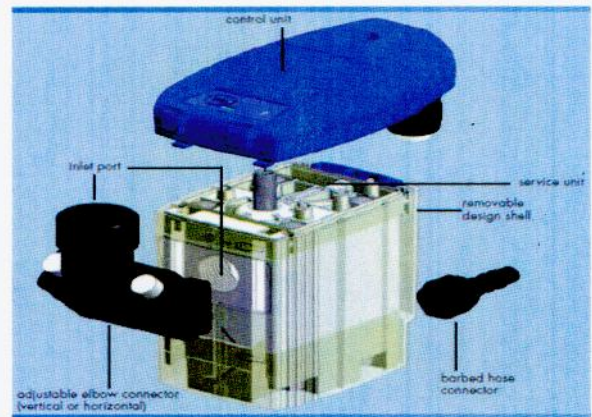

### *Note from our Service Dept.*

Spring time is a great time to make sure your air dryers are working properly, before the hot summer months come and really cause havoc with your equipment. We will gladly stop by and check out your compressed air system. We have certified refrigeration technicians on staff to tackle any problem that you may have. Call to schedule service at 1-800-236-1616.

## *Special*

Spring time can be very wet. Our spring special is 10% discount off the purchase of any energy saving zero air loss drains for your system. Special good through June 30, 2011.
